The Immeasurable World. Although parenting is well-worn fodder for comedians, only Barry would coolly share his idea to install traps around his home to capture any teenage boys who would dare watch TV from the same sofa as his daughter and release the boys "nothing more than short men" into the Everglades.

## **Southern African Petrochemicals**

It's almost like going back to that first fantasy novel that totally captivated you and you read it over and over. A long sound and the train in the dark; another sound, a crash wires, lights, steel plates.
