## **Mapping Murder**

At the very beginning of the seventeenth century it underwent a siege of three weeks and lost 13, people, the casualties of war proper being assisted by famine and disease. Beaufret felt the urgency to act through thought, and he grasped the importance of a clarification which would avoid confusion between Jaspers, Sartre, Gabriel Marcel, and Heidegger, and of taking a position-in a very lively debate between communists and existentialists-that would put things in their proper places.
