I Dont Want To Be Your Bridesmaid

Secret warfare became even more unpopular among sections of American society with, first, Reagan's contra war against the Nicaraguan Sandanistas and then his subordinates' opening back-channel relations with Iran for secret weapons sales to fund the contras in violation of congressional statutes. It fully displaces its predecessor, the original Oculus Rift, and is definitively an upgrade, but it's being sold at the same price point that the original retailed for and still does, on some storefronts.
