The success of the film helped establish Burton as a profitable director, and it proved to be a huge influence on future superhero films, which eschewed the bright, all-American heroism of Richard Donner 's Superman for a grimmer, more realistic look and characters with more psychological depth. It follows naturally enough that the author s ideas concerning the value of translations have undergone a radical change since the days of the English essay when he had spoken of Pope s Iliad as a version in which none

of the beauties of the original were lost and most of the faults lessened.
